Hope and Opportunity!
For Individuals, Families, and Community!
Breaking the cycle of poverty through healthy food and nutrition education.

http://www.cccgbb-org.webs.com
The Mission of the Community Caring Center is to address the root causes of poverty by an innovative integration of social services programs, economic development (through small business incubation), nutrition education, and access to a healthy sustainable food center.

CCC operates a Social Service and Economic Development Department:

Social Services:
- Food Pantry
- Affordable Food Distribution Program
- Financial Assistance, Food Stamp, Prescription, Drug, Medicaid, SSI Applications
- Faith in Action, volunteer frail and elderly care giving

Economic Development Programs:
- Nutrition Education for adults and children
- A "Working" Culinary incubator – d/b/a Secret Garden Café
- Urban Farming Project
- Market/Deli/Bakery/Cafe
- Senior Veggie Mobile & Delivered Meals

SOCIAL SERVICES
Provided on Monday, Wednesday and Fridays from 9 AM to 1 PM

Congregations, businesses, individuals, and organizations contribute non-perishable food items to stock the pantry. Community service groups and individual residents in Boynton Beach also support the food pantry through financial contributions. Contributions and our Urban Farming Project help to provide fresh fruit and vegetables to clients. The pantry contains various ethnic foods and a kosher shelf to meet the needs of our diverse community.

FINANCIAL ASSISTANCE – CCC may provide emergency financial assistance to an individual or a family once a year (as funds are available for rent/mortgage and utilities). CCC may provide vouchers to the Medication Station for anyone who cannot afford to have a vital prescription filled and a voucher for shelter for 1- or 2-night stay if short term shelter is required. CCC is a platinum partner with the State of Florida. We are an access site for food stamp, SSI, Medicaid, & prescription drug assistance applications for the State of Florida and major pharmaceutical companies.

FAITH IN ACTION - CCC’s Faith in Action Program recruits, trains, and supports caring volunteers to help their frail and elderly neighbors through friendly relationships. The assistance can be shopping, picking up medication, respite care, financial assessments and management, or taking a person to the doctor.

ECONOMIC DEVELOPMENT

NUTRITION EDUCATION - "5 A Day," a child nutrition educational program, targets underprivileged, kindergarten children in the poverty pocket of Boynton Beach known as "The Heart of Boynton." It is a small attempt to change the course of the health of this next generation. The program provides nutrition education, nutrition-related disease prevention information, classroom materials and teacher aides, hands on activities and field trips, one-on-one with a nutritionist, as well as, hunger relief, and advocacy.

The Secret Garden Café, A CULINARY INCUBATOR - A unique 3,100 sq ft, 102-seat Restaurant/ Market/ Deli/ Bakery/Catering facility that offers shared usage of a commercial kitchen and retail market space to "would-be" entrepreneurs and/or existing businesses. A culinary incubator program, it provides a shared space to small businesses to practice their trade, and technical assistance in a nurturing atmosphere that assist small business entrepreneurs, called incubator clients, to develop their business concept. Once clients become independent businesses they can become part of the Market Co-operative, a model that offers shared usage helping to reduce administrative overhead expenses in the early stages of business development.

URBAN FARMING PROJECT - Partnered with the University of Florida in 2009 through the PBC Extension Office, the urban farm provides fresh produce for the Veggie Mobile program, the chefs at the café, use in the nutrition & food preservation education programs, and the food pantry. The CSA (Community Supported Agriculture) produce sales provide additional income for the centers programs.

SENIOR VEGGIE MOBILE and Home Delivered Meals - Each week the Center’s food pantry truck takes fresh and locally grown produce to our frail and elderly shut-ins in the “Heart of Boynton” area. It includes the bounty from the urban farm along with produce from gleaning programs and unsold green market produce purchased from local farmers. The program offers an opportunity for case managers to provide a friendly visit, check for signs of malnutrition and dehydration, provide additional assistance if needed, and offer healthy nutritious food options. FREE Soups are included. Senior Meals are delivered each Wednesday; a donation of $30 will sponsor a needy frail, elderly and shut-in senior for 8-wks.

CCC encourages your participation and sponsorships in its annual fundraising events: Annual "Hunger Walk" is held each spring to raise awareness regarding hunger and the "Harvest Moon Ball's" held in the fall to recognize our sponsors, partners, and volunteers.
